Applying for Temporary positions with the
US Forest Service via USAJobs

To apply for these student jobs you will need to apply through the USAJobs website -
https://www.usajobs.gov. Announcements will open February 29, 2016 and close on March 4, 2016. (Please note that announcements open on Eastern Standard Time, so they will close on March 4 at 9:00pm PST).

APPLY ONLINE at www.USAJOBS.gov

Step 1: Create a USAJobs account (if you do not already have one) at www.USAJOBS.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2: Create a resume with USAJOBS or upload a resume into your USAJOBS account. You may want to customize your resume to ensure it documents duties and accomplishments you have attained that are directly related to this position, so your application will meet required qualifications.

Step 3: Search for the job announcement number. (Note: Temporary job announcements are NOT open at this time.) You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on “Application Status”. Click on the position title and then select “Update Application” to continue.

Required: Transcripts showing a 2.0 or better GPA, must be a student in good standing, recommended by the school. If you are graduating high school, you must have proof of acceptance to an accredited college or university. You must upload your transcripts and resume and apply through USA JOBS.

About the Forest

ELDORADO NATIONAL FOREST

General Information:

The Eldorado National Forest is recognized as a desirable place to work. Elevations range from 2000 ft. in the foothills to more than 10,000 ft. along the Sierra Crest. A Mediterranean climate extends over most of the Forest, with warm, dry summers, and cold, wet winters. Average precipitation ranges from 40 to 70 inches, occurring mainly from October to April. There is significant snowfall above 3000 feet elevation.

The Forest and surrounding communities offer a wide variety of recreational activities. There are lakes, reservoirs, several cross-country and downhill ski areas, two unique wilderness areas, over 40 developed campgrounds, several resort areas, golf courses, and outstanding local wineries and fruit orchards. Opportunities abound for water skiing, white water sports (Class II to Class V), mountain biking, OHV travel, rock climbing, fishing, hunting and hiking. Local community theatres offer stage plays and a variety of musical entertainment. Although El Dorado County makes up the largest segment of the Forest, portions of Alpine, Amador, and Placer counties lie within the Forest Boundary. In close proximity to the forest are the communities of South Lake Tahoe and Sacramento, which offer additional recreational and cultural activities including professional and semi-professional sports.

Rental houses and apartments generally range from $1000-$1600 per month. Purchase prices for 2-3 bedroom homes range from $350,000 to $450,000+. Land and/or lots are available as well.

There are several elementary and high schools within El Dorado County. For more information on schools in El Dorado County visit this website: http://www.edcoe.k12.ca.us. Community colleges in the area include Folsom Lake College (El Dorado Center in Placerville), Sierra College In Rocklin, American River College and Sacramento City College in Sacramento and Lake Tahoe Community College in South Lake Tahoe. Four-year colleges and universities include California State University-Sacramento and University of California at Davis.

Marshall Hospital, located in Placerville, is the closest well-equipped medical center. There are many local doctor and dentist offices in Placerville. There are several major hospitals in the Sacramento area including Kaiser Hospitals in Sacramento and Roseville.
