Join our team on the Shasta-Trinity National Forest!

We are actively recruiting to fill the Position of:

Fire Ecologist
GS-0401-11

The Shasta-Trinity National Forest is seeking a dynamic, innovative self-starter to complement our Forest Leadership Team
The duty location is Redding, California.

If interested in being considered for this position, please send the completed outreach form and resume to Alex McBath at amcbath@fs.fed.us by March 1st, 2016.

Duties:
This position serves as a Fire Ecologist on the Shasta-Trinity National Forest. Duties include collection and analysis of field data, project and landscape level planning input. Provide technical assistance needed for reestablishing fire’s role in the ecological systems. Additionally, incumbent carries out studies, field reviews, and provides technical assistance on fire ecology and operations to all disciplines.

Forest:
The Shasta-Trinity National Forest, located in north central California, is the largest national forest in California and provides some of the highest quality fish and wildlife habitat in the Pacific Northwest. It is comprised of 2.1 million acres ranging in elevation from 1,000 feet to 14,162 feet at the summit of Mt. Shasta. This forest encompasses five wilderness areas, hundreds of mountain lakes and more than 6,000 miles of streams and rivers. In addition, there are wild and scenic rivers, national trails and scenic byways and a National Recreation Area. For further information on the forest, please see www.fs.usda.gov/stnf

Community:
The Headquarters for the Shasta-Trinity National Forest is located in Redding, California, a full service community of over 90,000 people. Redding is located along Interstate 5 and has a fine variety of medical facilities, schools including Shasta College, restaurants, retail stores, museums and a variety of housing opportunities. Cultural and outdoor recreational activities include music, art, fishing, rafting, skiing, hiking, sailing, swimming and much more. The climate in the Redding area is generally
moderate though summer temperatures can be very hot. Housing is readily available with an average 3-bedroom house selling for about $209,900. Rent for 2-bedroom apartment ranges from $450 to $1,000 a month, 3-bedroom house ranges from $600 to $1,400 a month. Government housing is not available.
