NOTICE OF VACANCY INFORMATION
Texas A&M Forest Service, A Member of The Texas A&M University System

Position Title: Staff Forester I

Department and Location: FRDSF – San Antonio

Salary: $36,000/year minimum

Start Date: As soon as possible

Major/essential duties of job: Serve as point of contact for urban water / FIA program throughout the region. Deliver effective education, outreach, and technical assistance on forest-water relationship, riparian management/restoration, urban stormwater management / green infrastructure, groundwater management, water planning, and urban FIA. Organize urban FIA plot logistics (access, location, scheduling) and collect plot data. Enhance partnerships to increase effectiveness of Texas A&M Forest Service efforts. Actively engage in water resource stakeholder meetings. Coordinate water resource activities with other groups. Conduct innovative, educational outreach programs.

Occasional duties: Assist in water resources program delivery in Central Texas. Prepare and assist with various administrative tasks, plans, reports, and records. Promote the image of the TFS. Other duties as assigned

Work experience (months, years) and skills preferred: Two (2) years experience in forestry preferred.

Educational qualifications/training required: Bachelor of Science or Master’s degree in Forestry required. Excellent verbal and written communications preferred. Master’s degree in Forestry preferred. Must have or be able to obtain a Texas driver’s license within 30 days of employment and have driving record that meets agency requirements. Must have or be able to obtain FIA Certified Cruiser within 6 months of employment.

Working Conditions: This job may require exposure to harsh environmental conditions such as wind, sunlight, rain, and temperature extremes. It may also require walking long distances, standing for extended periods, twisting, bending, reaching, kneeling, lifting and carrying heavy objects. Job stress can be frequent when confronted with deadlines of various projects, frequent travel, long hours, and adverse weather conditions.

Comments (typing speed, hours of work, etc.): Have good oral and written communication skills. Working knowledge of PC-based programs and software. Some work may occur after hours and out of town travel.

Employment Status: Full time

Closing date (last day application can be accepted): Open until filled

Application procedure: Submit application, resume, and transcripts to https://greatjobs.tamu.edu
